

Payment Options

Thank you for choosing Point Family Dentistry. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options. We have a variety of payment options including cash, check, Visa, MasterCard, American Express and Discover. Payment is due on the day that services are rendered.

For uninsured patients, we offer a 5% savings with payment in full on the day of treatment. You may use cash or check.

For uninsured Senior Citizens age 62+, we offer a 15% savings with payment in full on the day of treatment. You may use cash or check. If paying with a credit card, you will receive a 10% savings.

For insured patients, your uninsured portion is due in full on the day of treatment. We will bill your insurance for you and bill your credit card for the uninsured portion.

*Point Family Dentistry may or may not be a provider for your insurance. The amount of benefit you will have is dependant on your specific plan. Cosmetic procedures are typically not covered. We would be happy to assist you in a complimentary benefit check. Point Family Dentistry will also process your claims for you and assist you with any questions or concerns you may have. Any amount not covered by your insurance will be your responsibility.

For treatment plans greater than \$600.00, we offer pre-authorized credit card monthly payments. We accept ½ down on the day of treatment and the balance to be paid on a regular monthly basis by an automatic credit card payment set up with our office.

For those who need extended payment arrangements, we offer finance plans through an approved credit company. You can apply for credit at home or we will assist you with applying for credit here at the office.

Appointment Guidelines

When you schedule an appointment, we reserve that time especially for you. If you need to change your appointment we ask that you notify us within two business days. We understand that conflicts arise; however, failing your appointment or canceling without adequate notice more than once could result in a charge.

We thank you for allowing us to provide your dental care. Please contact Jamee or Lisa at 952-881-8404 if you have any questions.
